Please provide placement to us

It's easy to learn on the LCD projector.. but sometimes it hurts the eyes, the concept get clear on the board more than ppt

Best teaching best environment

Go od

1.rather than using publication book use of research papers and reference books is more
2.learning through practical is most effective 3.nearly all chemicals available or if not they made them available but get delayed sometimes

Promote collaborative learning

Overall teaching is excellent

Promote collaborative learning

Project

1.The overall teaching is very good.
2.Teachers provide a very informative and knowledgeable information to students except subject theory about study and also about life after college.
3.Teachers never forget students problems about study, experiments.
