### Report of swachha bharat nirmal bharat

The Nirmal Bharat Abhiyan (NBA) is the flagship sanitation programme of the government of India to achieve the Millennium Development Goals. This renewed attempt (after 1999) is aimedat laying emphasis on Information, Education and Communication. Initiated by the Government ofIndia, the mission aimed to achieve an " open-defectation free" (ODF) India by 2 October 2019, the150th anniversary of the birth of Mahatma Gandhi through construction of toilets. An estimated 89.9 million toilets were built in the period. The objectives of the first phase of the mission also included eradication of manual scavenging generating awareness and bringing about a behavior change regarding sanitation practices, and augmentation of capacity at the local level. The second phase ofthe mission aims to sustain the open defectation free status and improve the management of solid and liquid waste, while also working to improve the lives of sanitation workers. The mission is aimed at progressing towards target 6.2 of the Sustainable Development Goals Number established by the United Nations in 2015. 50 Students participated in the mission along with all the teaching as well as non-teaching

members.
