## Guest Lecture Report

Topic: - 'Study Abroad'

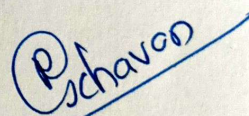

Date:- 21<sup>th</sup> Nov. 2022

The session on "Study Abroad" was organized by the Training and Placement Cell on 21<sup>st</sup> Nov, 2022. The session was conducted by Mr Avinash Wagh.

They introduced us to the various study opportunities abroad. Final year students got a lot more idea as we were unaware about the systems and the procedures that are to be followed. The detailed information about education pattern, international scholarships and entrance exams of various countries and the scholarships they provide was given to us. The difficulties that we face and the other problems that come across was discussed and even the solution on the same was told. Overcoming the difficulties is not at all a big task if we are aware about the exact conditions over there. Mr Avinash Wagh sir also guided our students about how to select particular course and job opportunities over there.
