Swachhta Pakhwada

The Swachh Bharat Abhiyan, launched on 02.10.2014 across the country as a national movement, is the most significant cleanliness campaign by the Government of India. According to the Government, a clean India would be the best tribute India could pay to Mahatma Gandhi on his 150th birth anniversary in 2019. By inviting people to participate in the drive, the Swachhta Abhiyan has turned into a National Movement. A sense of responsibility has been evoked among the people through the Clean India Movement. With citizens are now becoming active participants in cleanliness activities across the nation, the dream of a 'Clean India' once seen by Mahatma Gandhi has begun to get a shape. Swachhta Pakhwada started in April 2016 with the objective of bringing a fortnight of intense focus on the issues and practices of Swachhta by engaging GOI Ministries/Departments in their jurisdictions. An annual calendar is pre-circulated among the Ministries to help them plan for the Pakhwada activities. The Ministries observing Swachhta Pakhwada are monitored closely using online monitoring system of Swachhta Samiksha where action plans, images, videos related to Swachhta activities are uploaded and shared. Observing Swachhta Pakhwada, Ministries/ Departments announce their achievements through a press conference and other communication tools. For the Pakhwada fortnight, observing ministries are considered as Swachhta Ministries and are expected to bring qualitative Swachhta improvements in their jurisdictions. Responding to the Nation's call by the Prime Minister Narendra Modi, NSS Unit, Pune District Education Association's Seth Govind Raghunath Sable College of Pharmacy, Saswad has taken the lead in launching the "Swachhta Pakhwada 2020" in the campus.
